FAMILY BOARDING HOME MINISTRIES

OUR ROLE

We engage with, love and disciple a bunch of missionary kids (TCKs) who come to live in our family boarding homes in order to attend school. By doing so we support the ministries of their families who, because of the boarding homes, can continue working in remote areas, reaching the unreached.

OUR PASSION

We want to see TCKs mature not just physically, but also emotionally, spiritually and academically. To walk with them for a part of their journey through to graduation and adulthood is rewarding and a privilege.

MEKONG MINORITIES

We have full-time as well as part-time family boarding homes, located in Northern Thailand and neighboring countries.

Serving as boarding home parents and assistants first of all means to live in community, living and working with TCKs, opening our homes as “home away from home” to the TCKs.

English or German are the respective languages spoken in the boarding homes. English is the team language.

Boarding home parents and assistants support about 4-8 families and a maximum of 14 students in their home adding longevity to their parents’ ministries in surrounding countries.
