## Why Are We Praying?

- Many millions of people live in East and Southeast Asia.
  - Many have **never heard about Jesus**.
  - God loves every person, family, and community.
  - When we pray, we join in **God's big plan** to share his love.
- 

## Big Prayers We Can All Pray

- "God, please help more people in East Asia learn about Jesus."
  - "Holy Spirit, help people understand who Jesus is."
  - "God, help churches grow strong and loving."
  - "Please help Christians be brave and faithful."
-
